

During the first few weeks of Secondary School, your child will be introduced to new vocabulary because they will be learning new subjects. They will also have new teacher teaching them.

These activity sheets contain a number of crosswords and word searches which provide an opportunity for your child to learn new vocabulary and practise timetable reading whilst having fun.

**Aim of the activity**

- To allow your child to learn new Secondary School vocabulary.
- To allow your child to practise the spelling of new vocabulary.
- To allow your child to practise timetable reading.

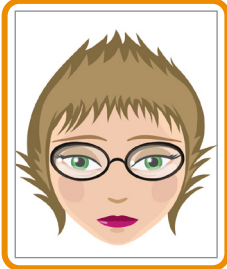

**Instructions for activity**

- Print the activity sheets and give them to your child to complete.

**Adapting the task**

- It's a great idea to give these activity sheets to your child over the summer holidays. This means that they are continuing to prepare for Secondary School during the long summer break.
- Encourage your child to complete their own puzzle sheets. These can be completed by hand or by using a variety of free, online puzzle making tools.
